

TENTH ANNUAL
WINTER NEUROPEPTIDE CONFERENCE

January 17-21, 1989
Breckenridge, Colorado

A DECADE OF NEUROPEPTIDES: PAST, PRESENT AND FUTURE

Symposium

NEUROPEPTIDES AS REGULATORY AGENTS

Chair: Fleur L. Strand
Center for Neural Science
New York University
Washington Square
New York, N.Y. 10003

1. Dr. Marvin Brown, University of California, San Diego,
California
CRF as a Regulatory Peptide: Central and Peripheral
Effects
2. Dr. J. Edwin Blalock, University of Alabama, Alabama
Do Neuropeptides and the Immune System Regulate Each
Other?
3. Dr. Kjell Fuxe, Karolinska Institutet, Stockholm, Sweden
Neuropeptide Regulation of Neurotransmitters
4. Dr. Fleur L. Strand, New York University, New York, N.Y.
Neuropeptides as Growth Regulating Factors
